Student Manager Support

Some students with specific learning needs will be supported by the Student Manager Support.

Guidance Officer

Parents and teachers can refer students to see the Guidance Officer. Students are more than welcome to arrange a time to see the Guidance Officer on their own will. The Guidance Officer provides an additional level of support in areas of social emotional wellbeing as well as academic performance, behaviour support and career guidance. The Guidance Officer is the person that liaises with external support agencies on behalf of students and the school.

Class Teachers

For questions relating to subject specific matters parents are encouraged to make contact directly with the specific classroom teacher.
